## 21 UP AMERICA

21 UP AMERICA

The latest in the 7 Up series from the USA, it was released there in 2006. It follows the lives of 14 Americans whom audiences first met when they were seven, then 14 and now 21 years old. The subjects come from a range of backgrounds and circumstances, from rich kids in Manhattan to an immigrant from El Salvador to poor kids from 'the projects' in Chicago.
